How to Care for a Paper Birch Tree. Paper birches transplant easily with little shock. Plant them in a location with full sun and moist but well-drained soil. The trees adapt to most types of soil as long as it is cool in summer. It prefers long winters and mild summers. Paper birches are susceptible to a number of insects, including the destructive bronze birch borers. If you live in an area where these insects are a problem, try planting a resistant cultivar such as 'Snowy.'
