Readers of Anita Desai's entertaining and well-crafted short stories may have a favorite or two of their own to be determined at the end of this collection. Perhaps it will be the title story itself "Diamond Dust", where a beloved fido reaps havoc on his household and has the attitude of a remorseless stone-killer; or the surprise guest in ...

Diamond Dust: Stories by Anita Desai - Goodreads

I enjoyed reading Desai's Diamond Dust and other Stories due to the wide range of themes she explores in these stories, ranging from insensitivity to others as in "Royalty" , human obsessions as in the title story ,the need for privacy in " Underground " ,sibling and filial relationships in a cross-cultural framework as in "Winterscape" , a nostalgia for the bygone days and times as in " Tepoztlan Tomorrow " .The sense of place is very strong in these stories , bringing about a confluence of ...

Diamond Dust: Stories by Anita Desai. <DIV>A collection of stories stretching from India to New

England to Mexico from the author of *Fasting, Feasting*—an “undeniable genius” (*The Washington Post Book World*). The men and women in these nine tales set out on journeys that suddenly go beyond the pale—or surprisingly lead them back to where they started.

Diamond Dust: Stories - Anita Desai - Google Books

The nine stories in this collection from Desai (*Fasting, Feasting*) are served up with characteristic perspicuity, subtle humor and attention to the little hypocrisies of the middle class. Diverse settings and domestic dramas frame universal themes, often involving the complex relationship between an individual and her/his family and culture.

Diamond Dust Stories Anita Desai

A review of Anita Desai’s *Diamond Dust* March 18, 2003 individually, the stories in *Diamond Dust* traverse a wide geographic terrain, moving from the Himalayas to Manitoba, Toronto, Cornwall, Amherst, Massachusetts, Mexico, and Delhi, but throughout the stories there are similarities in the characters, and in the theme; that of the underlying complexity of humans.
