Then there is the Student Math Journal, which is the workbook for the student. It usually comes in 2 volumes. You have to look for the grade level, and then the volume. I think it would be challenging to attempt to use the Student Math Journal without the Student Reference Book to introduce each new subject.

Finding the Unit and Lesson Numbers. Everyday Mathematics is divided into Units, which are divided into Lessons. In the

upper-left corner of the Home Link, you should see an icon like this: The Unit number is the first number you see in the icon, and the Lesson number is the second number. In this case, the student is working in Unit 5, Lesson 4. To access the help resources, you would select "Unit 5" from the list above, and then look for the row in the table labeled "Lesson 5-4."
